

Due to cover 19 I am planning to reopen my air BnB safely I will adhere to the following protocols...

I will maintain the high level of cleanliness that I adhere to regardless of Covid 19

Disinfect everything including

UV light all textiles

Remove all unnecessary textiles

Restrict access to extra linens

Leave 4 day gap between stays

Air out during vacancy

I will not enter building without mask, booties, and gloves

I will wash all dishes whether they were used or not.

host only 1 family at a time.

I will maintain the high level of cleanliness that I adhere to regardless of Covid 19

Only accept stays for 4 days but encourage longer stays so as to limit amount of visitors

We have plenty of space for social distancing and I will make certain they are aware of our local laws around cover as best I can as they change regularly.
