

COVID19 Business Specific Health & Safety Form

MOVIE THEATERS and FAMILY ENTERTAINMENT CENTERS

This plan is for an outdoor, drive-in movie, to be presented in the Anderson Valley Grange parking lot on Friday & Saturday evenings. The operation will be only for the duration of a single movie, not to exceed 2 hours and 15 minutes. There are no employees and a maximum of 10 Grange volunteers to operate the movie event.

- 1. Describe the type of signage you will have and locations. Patrons will be informed at the time of arrival that they are not to leave their cars, with the exception of necessary visits to the bathrooms. Information will be provided in written form at the time of arrival, in addition attendees must wear appropriate facial coverings when out of the cart.**
- 2. Describe the PPE you will provide to your employees and patrons. Volunteers will provide their own facial coverings, or it will be provided to them. Vinyl and latex gloves are available for appropriate tasks. Ammonium Chloride wipes are available to clean high touch surfaces. Soiled surfaces will be washed in hot water and detergent before sanitizing.**
- 3. Describe your plans for training employees and temporary workers on the use of PPE; disinfection; sanitation and other cleaning techniques. All volunteers will be oriented at ½ hour prior to the beginning of the event. The orientation will be conducted by a Public Health Nurse, all cleaning and disinfection during the event will be conducted or monitored by the PHN.**
- 4. Describe your plans for protecting your employees' health. All volunteers will be requested to immediately leave the premises if they have any symptoms of Covid 19. All volunteers will socially distance at all times. Handwashing and hand sanitizer are available at a station near the bathrooms**
- 5. Describe your plans for protecting the health of patrons. All patrons will remain in their cars, cars will be parked 6 feet apart. Handwashing facilities and hand sanitizer are available in the bathrooms**

and in the hallway outside the bathrooms. All high touch surfaces, crash bars on doors, door handles and bathroom fixtures will be wiped down with ammonium chloride wipes every ½ hour.

6. Describe how you will prevent crowds gathering at your facility. All persons are required to stay in their cars. There will be a designated area for family social groups to place lawn chairs, if desired, but will be limited to an area where 6 feet distance can be maintained between family/social bubble groups.
7. Describe how you will enforce physical distancing at your facility. The viewing area will be directly monitored by the Grange Overseer, or his designee.
8. Describe the payment methods you will use (contactless is preferred). Exact cash placed into a large receptacle, such as a bucket.
9. Describe the limitations on the number of patrons at your facility. 35 cars in the parking lot, no patrons in the building.
10. Describe your reservation system. None, but when the parking lot is filled, all others will be turned away.
11. If applicable, describe how you will indicate separate entry and exits to/from your facility. Non-applicable.
12. Describe how you will configure seating to ensure physical distancing is maintained between patrons or household units. Patrons in cars, spaced 6 feet apart. Area assigned for outside lawn chairs for household/social bubble units, limited by space so that 6 feet is maintained and will be monitored by the Grange Overseer
13. Describe your methods for ensuring patrons maintain physical distancing before and after screenings. Arrive and leave in their cars.
14. Describe how you will maintain cleanliness and sanitation of patron seating. No seating provided by the Grange.
15. Describe your methods for reconfiguring parking areas to avoid congregation. Parking area will be pre-marked with lime and all parking will be under the direct supervision of the parking attendant.
16. Describe how you will ensure physical distancing in restrooms. Double wide door entry into the hall that the bathrooms are located on. They are single stall bathrooms, there will be a person monitoring the hall and cleaning of the bathrooms for the entire event.

17. If your facility offers concessions, describe the online or phone order system and how pick-up of items will be achieved. A disposable menu is being distributed to the patrons upon arrival. They can call or text their order into a cell phone. The order will be filled and taken to the car side on a cart, the patron will then take the items from the cart once the delivery person has moved 6 feet away. Once the patron has taken the items and the window is rolled up, the delivery person will take the cart away. Payment will be made by Venmo or exact cash deposited into a large container on the cart. Customers are to wear face coverings when picking up pre-ordered items.
18. If your facility has a retail shop, describe the health and safety guidelines you have taken to protect employees and patrons. Non-applicable.
19. Describe your methods for cleaning and disinfecting equipment such as bowling balls, golf balls, putters, writing implements, bats, shoes, helmets, etc. Non-applicable.
20. What is your method for handing scorecards, pencils, etc.? Can you offer disposable items? No
21. Describe the cleaning and disinfection practices for customer activity areas. Only customer activity area is the bathrooms and monitoring and cleaning is described in #16.
