

Mendocino County COVID-19 Health and Safety Form

Seebass Family Wines Tasting Room - 14077 Hwy 128, Boonville CA 95451

- 1) Signage - both front and back door will be signed with MASKS REQUIRED, PLEASE USE HANDSANTIZER and/or IMMEDIATELY WASH HANDS, MAINTAIN SOCIAL DISTANCING and TAPE MARKS ON FLOOR and signage regarding our best practices.
- 2) PPE for all employees are latex gloves and face masks mandatory.
- 3) Training will include all new processes for welcoming guests, social distancing, sanitization practices on the bar and tables, chairs, doors, light switches, which will include a checklist to make certain processes and schedules for disinfection are followed.
- 4) Assuring that 6' social distancing from guests and masks and gloves are mandatory at all times, as well as adhering to disinfection protocols.
- 5) Assuring that all mask and sanitization practices are clear and enforced, not touching bottles to guests glasses, disinfecting tables and other guest related areas regularly, and after each guest departs, removing all extra items from bar area to minimize contact and touching or items. Encouraging outside, seated tasting as much as possible.
- 6) A strict appointment schedule will be adhered to to not overlap tasting guests through tock.com. We will also be implementing a strict 12 person max policy inside the tasting room, and will require anyone else over that amount to wait outside in their car.
- 7) Tape lines and designated areas will be clearly marked to ensure social distancing. It will be made clear to guests that we may only remain open and will serve them if they follow all protocols especially social distancing.
- 8) We use a wireless payment system by which the guests retains their card or can use apple pay or other bank linked payment methods through their phone. Cash will be discouraged.
- 9) Hours of Operation - 11am-6pm
- 10) Reservations are available through our social media platform, by calling the tasting room or by tock.com automated scheduling service in use throughout the Anderson Valley Winegrowers Association network.
- 11) We are licensed for alcohol consumption on our front patio, our back porch and the grass area behind our facility. We will have four (4) available tasting tables - 2 front, 2 back for reservation. The grass area out back is available for picnics, etc. with social distancing rules enforced, no more than 2 groups or 4.
- 12) Our menus are disposable and will be provided new to each guest or group.
- 13) We have never had an issue with bottle necks touching glasses - it is a basic training item for tasting room personnel to properly pour tastings with zero bottle to glass contact.

14) We have procured disposable paper cups to be offered to each guest for dumping/spitting and communal spit buckets have been removed.
