

Pair Rentals  
Business License #126903  
Re-opening Plan  
July 23, 2020

This is a single family home that is being offered for rent to 4 adults and their children, all from a single household. The property is otherwise unoccupied.

The housekeeper has been briefed on enhanced cleaning procedures including the requirement to wear a mask and gloves when cleaning the house and wiping down surfaces with a disinfecting cleaner. Special attention is to be given to high touch areas including knobs and handles on doors and fixtures. The sanitizer used by housekeeping is certified by the manufacturer to satisfy the requirements of EPA List N. Housekeeping occurs prior to the arrival of the guests and does not occur during their stay. The housekeeper has been provided with gloves and masks and reminded not to service the home if feeling ill or running a fever.

The spa is drained, cleaned and refilled between guests.

Guest arrival is scheduled a minimum of 48 hours after the previous guest departs.

The rental language dictated by the Mendocino County health order effective July 13, 2020 has been added to the rental agreement. All adults are required to sign the document prior to being given the entrance code.

A sign has been added to the entrance of the home advising the occupancy limit and requirement, the facial covering requirement in the County, the importance of hand washing/sanitizing and a request to sanitize hands upon each entry.

Hand sanitizer is available in the house.

Check-in and check-out is 100% contactless.

Payment is contactless.

Reservations are taken via e-mail and on VRBO.
