

Health and Safety Plan for Short Term Vacation Rental; 15500 S. HWY 1, Manchester, CA 95459.

Our cleaner, who only occasionally interacts with guests, is providing her own PPE. She has agreed to and will wear a mask and gloves each time she enters the rental unit. We have forwarded to our cleaner (including the site addresses), all pertinent information regarding cleaning techniques and processes as laid out and required in the Mendocino County document(s). She has agreed to review and abide by those requirements.

Our rental agreement requires all guests to review and comply with all county rules and regulations regarding the CCP virus and vacation rentals. It also provides the county related web site address.

Our guests have agreed to bring their own PPE and have agreed to wear masks. We request they use masks any time they are off the rental premises and are in public areas where other members of the public are present.

We protect the health of our guests by following the county cleaning protocols. There are no public areas on the premises. Guests self check-in. Guests are limited to a total six people. There is normally at least four hours or longer between occupancies. Reservations are made on line and payment on line or via mail. The contact person is: Rose Hirscher 707 882-2146. By signing our rental agreement, guests agree to follow our rules and those set forth by the county.

All guests have agreed in the rental agreement that should a guest contract the CCP virus, landlord shall immediately be notified, all present guests shall immediately vacate the premises and they shall relocate to a place of quarantine off the rental premises. The rental would not be returned to service without enhanced cleaning and disinfecting in accordance with CDC guidelines.
