

BUSINESS PROTOCOL

- 1) I plan on calling each client the night before to ascertain whether they are feeling healthy.
- 2) I will meet each client at their car the day of their appointment and once again ask if they are feeling healthy.
- 3) I will advise each client that they need to wear a mask upon entering the office and they will need to wash or sanitize their hands before they will be allowed in the treatment room.
- 4) I will personally wear both a mask and a face shield and require my client to wear a mask at all times.
- 5) I will disinfect my room (including changing sheets, sanitizing door knobs and any surfaces) between each client.
- 6) I will require my clients to place cash money in an envelope and get their own change, or place a check on a table rather than handing it to me.
